Southern Standard Carton receives ISO 9001:2000 Certification.

New York, NY- The Standard Group, a manufacturer of paperboard packaging, today announced that its Southern Standard Cartons facility in Louisville, KY received ISO 9001:2000 certification for its quality management systems. BSI Management Systems America, Inc. Issued the certification after extensive auditing and reviews of the quality management program.

ISO 9001:2000 sets the defined international standards for quality management to systems, requiring a demonstration.

Making the announcement Lou Cortes, President, The Standard Group, stated “ISO 9001:2000 Certification is our commitment to assuring customer satisfaction and exceeding expectations, we are a “Yes, We Can” organization. We are proud of our Team and are driven by Lean and continuous improvement.

The Standard Group is one of the larger and oldest independent folding carton converters in the United States serving the Branded and Private Label industries with complete Supply Chain Solutions. Contact the company at www.thestandardgroup.com.
